

Mission Statement

The mission of Gateway Employment Resources is to provide the highest quality comprehensive services in placement, training, performance monitoring, and ongoing support, which will enable people with disabilities to secure competitive employment, as well as to educate the community, business, and industry regarding the potential of individuals with disabilities.

Who is Gateway Employment Resources?

Gateway Employment Resources, a private non-profit organization for individuals with disabilities, offers a program to help participants on their quest to community integration.

This new program, also known as the C.I.G. program (Community Integration at Gateway) offers participants the chance to broaden their opportunities through community based activity.

How is this accomplished?

- Pre-Vocational topics covered in a classroom setting
- Travel Training
- Career Exploration
- Community Trips

Group instruction on a Septa bus

Through classroom experience and community visits, the participant gains a better perspective of the work environment and their own abilities.

Referrals are accepted throughout the year. Please contact Diane Haerberlein (610) 489-9699 x109 or email, dianeh@gatewayemployment.org.
